

# VOLUNTEERS NEEDED FOR THE CONNECTICUT MASTERS' GAMES!

What does it take to host an event like the Connecticut Masters' Games? It takes, of course, the VOLUNTEER! The volunteer is the cornerstone to the success of the Connecticut Masters' Games. The Connecticut Masters' Games would not be able to operate efficiently without the services of hundreds of volunteers that have loyally served for the past thirty five years. Every year, the Connecticut Masters' Games need the assistance of volunteers to help run our event. Volunteers range from game officials, game administrators, scorers, timers, office assistants, registration guides and award assistants. Volunteers can pick the area / sport they would like to be involved with. No previous training is required. Volunteers who devote a mere three hours of their time will receive a Connecticut Masters' Games t-shirt. In addition, you'll receive the satisfaction of knowing you were an integral part of making the Connecticut Masters' Games a success!

For further information about volunteer positions, please log on to [www.ctmastersgames.org](http://www.ctmastersgames.org) and click on the volunteers tab on the top of the page.
