Back by popular demand!!!

Bring A Buddy! In an effort to increase participation and, therefore, the competitive integrity of the Connecticut Masters' Games, we are offering the "Bring a Buddy" Program. The "Bring a Buddy" Program was huge success in 2012 -It not only achieved the aforementioned goal, but it also made the "Games" more affordable for all athletes.

The fine print: The "Buddy" program applies only to like-sport registrations (Individual or Team) e.g. a Badminton individual sport athlete may not bring a softball team as his/her "Buddy"-

"Buddy" program does NOT apply to Golf because of the associated costs nor does it apply to Softball as it is a co-sponsored tournament with SSUSA.

To Qualify as a buddy Athletes/Teams cannot have participated in the Connecticut Masters' Games in 2008, 2009, 2010, 2011, or 2012.

How it works: Team Sports:

- Team #1 Basketball Fee \$175.00
- "Buddy" Team Fee 87.50 (1/2 the price)
- Total \$262.50
- Each TEAM pays \$126.25
