2020 CONNECTICUT MASTERS' GAMES CANCELLATION

Due to the evolving nature of COVID-19 (Coronavirus) and the threat it poses to public health, we've made the very difficult decision to cancel the 2020 Connecticut Masters' Games presented by CarePartners of Connecticut scheduled to be hosted by the City of New Britain. The challenges and uncertainty that COVID-19 (Coronavirus) have presented make it impossible for our organization to appropriately plan, organize and put on our sporting events in a safe environment.

We understand that many of those teams and individual sport athletes who have registered, or considered registering for the CT Masters' Games will be disappointed but we felt that the safety and health of our community is our top priority.

The National Senior Games Association has a plan for those who wish to participate in the 2021 National Senior Games in Fort Lauderdale, Florida. [Please click here for that announcement.](#)

For all 2020 CT Masters' Games registered teams and individual sport athletes, we will contact you about choosing one of three options:

- OPTION 1:
 - Transfer your registration to the 2021 CT Masters' Games.
- OPTION 2:
 - Donate your registration fees to the CT Masters' Games
 - *The CT Masters' Games is 501(C)3 Not-For-Profit Corporation registered with the State of Connecticut as a Public Charity: Registration #: CHR.0005080*
- OPTION 3:
 - Receive a refund via the original payment method minus any transaction fees.

Please know that we are committed to the health and well-being of our participants and will be taking the necessary steps to help prevent the spread of the virus and keep everyone safe once we are able to run our events in the future. We look forward to be back to business with the CT Masters' Games presented by CarePartners of Connecticut hosted by the City of New Britain in 2021.

Further updates will be posted as they become available. We thank you all for your support and hope everyone is staying safe, staying healthy and finding ways to be active during this challenging time.
